TAKE CATERING TO NEW PLACES, REDEFINING FLAVOR AND FORM

FALL 2019

US.
FOODS®

SET A NEW BAR

Forget cookie-cutter solutions and paint-by-number programs. Catering has moved beyond yesterday's one-size-fits-all approach, inviting operators to embrace the latest trends and honor their own style. Find your bliss – at the bar, at the table, anywhere the old map once declared off-limits. Boundaries were made to be pushed. With a little inspiration, you can take your catering business from *safe* to *sensational*.

So in the pages ahead, we hope to stir your creative juices – with ideas, recipes and product solutions that fit your business. By allowing the hottest food trends to help determine the contours of form, you'll take catering places it's never been before – and bring along your grateful guests for the journey.

SMALL WONDERS

Sometimes less really is more. Small plates allow for a wider variety of offerings and more experimentation to pique the interest of party-goers who expect to be wowed. Hot, cold, crisp, dipped, fried and fresh – the more colors, textures and diversity of flavor, the better.

MINI NAAN CHICKEN FLATBREAD
Serve up a flavorful, interactive experience.
ORDER: PAGE 28

PORK BELLY AND CAULIFLOWER PURÉE
Transform comfort food with a touch of elegance.

FREE FOR ALL

As the meat-free movement marches on, catering managers would do well to make room on their menus for alternative proteins – and the adjustment doesn't have to be hard. Soy, veggies and grains, when creatively deployed, can deliver the hearty sophistication your guests crave.

MEATLESS CHILI IN CORNBREAD MUFFIN

Show off how hearty meat-free can be.

Create a new catering vibe with classic street food.

ORDER: PAGE 30

EASY STREET

Breaking old standards is the new standard in catering, and to that end, some of today's most creative food innovation can now be found on four wheels. As food truck fare has evolved into a form of street chic, operators have an opportunity to cast a new sheen on their events.

HOT-SPOT POT PIES

Transform a robust sit-down meal into a mobile app.

ORDER: PAGE 30

PEANUT CHICKEN TAKEOUT

Find new formats to push catering's old boundaries.
